Gazi, I can't send the electronic copy of the above referenced report to Hylton Jackson at IDNR for review. The file is too large and since it is password protected, I cannot split it into 2 smaller documents. Can you please send him a copy? I didn't see his name on the cc list and as the supporting agency representative, he needs to have the opportunity to review these documents.

In the future, he also needs to be cc'd on any correspondence or reports. Please let me know if you have any questions. I've attached his contact information. Thanks!
